## DAKA EASY PARK SYSTEM

ITEM NUMBER:

2074

### SPECIFICATIONS:

- Safely & easily park your boat or pontoon
- Flared entry posts guide the boat into the lift
- Multiple side posts center the boat over the bunks
- Optional front bow posts stop the boat in the same spot every time for a perfect landing
- Adjustable width
- Adjustable front bow stop
- Optional fabric post covers available
- Large oversized PVC pipe prevents collision with lift corner post
- Highly visible posts—over 5' tall

The Easy Park System is great for tow boats and pontoons. No more guessing if the boat is in the perfect spot. 10 individual posts hold your boat securely in place every time. This is the ultimate parking system.
